In recognition of your outstanding achievement at **Science Castle Asia 2026**, an international conference for high school students held at Universiti Sains Islam Malaysia (USIM), Nilai, Negeri Sembilan, Malaysia, on 22–23 August 2026.

Science Castle Asia is a flagship initiative by Leave a Nest that empowers young researchers through scientific exploration, knowledge exchange, and innovation. The conference brought together high school students, educators, researchers, and industry innovators from across the region to showcase research, exchange ideas, and foster collaboration across scientific disciplines.

We commend your remarkable achievement, dedication, and commitment to advancing science and technology for a better future.

**Mr. Abdul Hakim Sahidi**
Managing Director
Leave a Nest Malaysia Sdn. Bhd.

**22-23 August 2026**
